

Nimbus Cloud Technologies

Anti-Harassment and Non-Discrimination Policy

Purpose

Nimbus Cloud Technologies is committed to providing a work environment free from harassment and discrimination of any kind. This policy applies to all employees, contractors, and interns, in the office, while working remotely, and at company events.

Prohibited Conduct

Harassment or discrimination based on race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, veteran status, or any other status protected by law is strictly prohibited. This includes unwelcome comments, jokes, physical conduct, or the display of offensive material, whether in person or online.

Sexual Harassment

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission is made a condition of employment or creates an intimidating or hostile work environment.

Reporting Procedure

Employees who experience or witness harassment or discrimination should report it to their manager, HR, or through the confidential ethics hotline as soon as possible. Reports are investigated promptly and confidentially, to the extent possible.

No Retaliation

Retaliation against anyone who reports a concern in good faith, or who participates in an investigation, is strictly prohibited and will itself be treated as a violation of this policy.

Investigation and Consequences

All reports are investigated by HR or an independent third party where appropriate. Substantiated violations result in disciplinary action up to and including immediate termination, regardless of the individual's role or seniority.
